Editor's Notes

Looking back over the past few months, it doesn't seem possible that our work on the 1975-76 Valiant is finally over. But, with the hard work and devotion of the entire yearbook staff, we have completed our final deadline.

I would like to express my special thanks to .....

Mrs. Doris Baxley, our advisor, for her valuable assistance in our times of confusion.

Cornelia Hayes, our Business Manager, who devoted countless hours in the preparation of this yearbook.

Pat Sears and Tonia Caulder, our top salesmen, who, by their hard work, allowed us to add various special effects to this yearbook.

The entire Yearbook Staff, for their valuable time and assistance.

Having been Editor of the 1975-76 Valiant has been a rewarding experience for me...

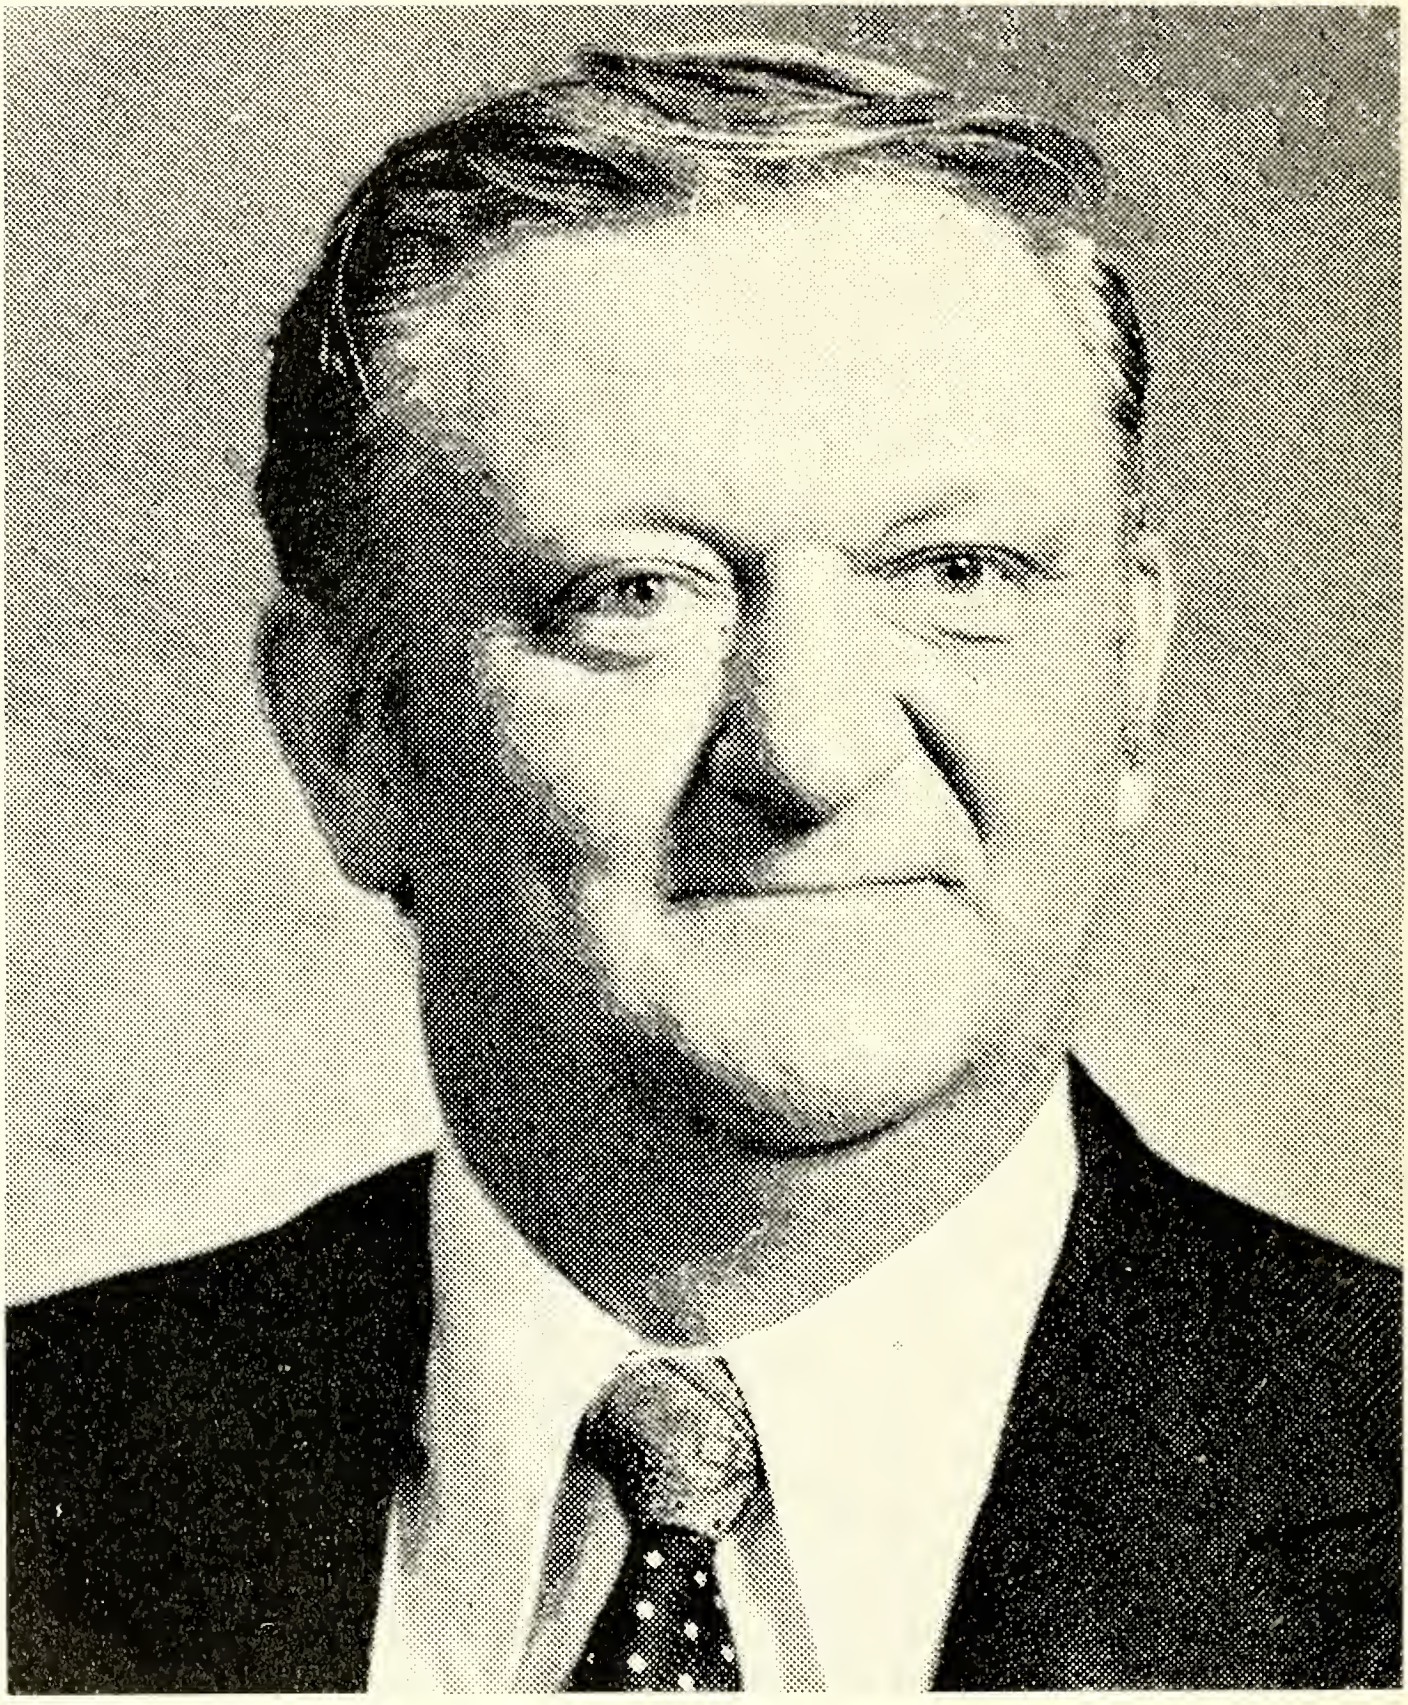
One that allowed me to make many new friends

One that leaves me with personal pride in a job completed to the best of my ability.

One that I will remember and cherish in years to come.

We, the Valiant Staff, offer you, our fellow students, the 1975-1976 Valiant ... in the spirit of '76.

Pat Caulder
Editor



Neil Graham

"A Friend to All"

Dedication

Words are always inadequate to fully delineate the qualities of special people. The words of Orison Swett Marden best describe the person to whom we dedicate this annual:

"A lucky fellow you say—No, his luck is determined by ....., a good constitution, habit of work, indomitable energy, determination, which holds no defeat, unwavering decision, concentration, courage, self mastery, ability to say 'no' and stick to it, strict integrity, honesty, cheerful disposition, enthusiasm, high aim, and noble purpose."

We, the students of Richmond Technical Institute, feel that we are the lucky ones for that part of you which has touched our lives, and therefore, we dedicate the 1975-76 Valiant to you, Mr. William (Neil) Graham.

Our American heritage is based upon self-reliance and the efforts of hard working people. From many ethnic origins we have joined together to accomplish mutual goals through the free enterprise system. The employees of Libbey-Owens-Ford Company are proud to be a part of that tradition; established more than 100 years ago in a small but enterprising glass-making shop. We've got the spirit of '76.
